

PASSED THE REICHSTAG

The Russo-German Treaty Resolves a Big Majority.

THE DEBATE BEFORE THE PASSAGE.

Count Bismarck Attributes a Remark to Chancellor Von Caprivi Which That Gentleman Indignantly Denies—Some Ill Feeling Shown—The Treaty to Go Into Effect on the Twentieth Instant—Adjourned For the Holidays.

Berlin, March 16.—The reichstag finally passed the Russo-German commercial treaty to-day by a large majority. When the debate on the treaty was resumed Herr Hammerstein, Conservative, said that the treaty, instead of becoming a milestone in German history, as described by the Baron Marsha von Bieberstein, the secretary of state for foreign affairs, would rather be a gravestone, inscribed: "Here lies Germany's husbandry, which will not long be survived by German industry."

During the course of the debate Count Herbert Bismarck said that the remark, "that the way to Constantinople is through the Brandenburg gate," did not emanate from his father, who, according to the count, always held that Germany had no interest in the Mediterranean or in the east. The remark, he added, emanated from the present chancellor.

To this Chancellor Von Caprivi replied: "I have always attributed that remark to a Russian source. I beg Count Bismarck to better inform himself before he again accuses me."

Count Herbert answered the chancellor by saying that he spoke only in the interest of historical truth, adding that Gen. Caprivi's attack upon him was unequalled for.

After the vote had been taken Dr. Thielmann announced that the treaty would go into force on March 20, and then the reichstag adjourned for the holidays.

A GOVERNOR'S SON

Who Won't Give His Name Arrested on a Charge of Forgery.

Richmond, Va., March 16.—A young man twenty-four years old, passing as Wm. Boyd and H. W. Eldridge, but whose real name is not known, was arrested here last evening for attempting to obtain two bicycles by false representations, and forging orders for cigars. The accused claimed to be the son of a former governor whose name he will not give; says he has just come from Brooklyn and Baltimore, and admits having served five years in Missouri for killing another young man. He says Senator Gorman and Congressman Raynor, of Maryland, defended him, and when arrested to-day he had a letter addressed to the former, but afterwards tore it up. Checks were offered by him in payment for a pair of bicycles and other goods, which were drawn on the First National bank of Baltimore, and signed A. G. Albright. He reached Richmond yesterday and does not appear to have a well balanced mind.

BOUGHT A CROWN.

Mrs. Vanderbilt Invests in one Which Adorned the Brow of the Empress of France.

New York, March 16.—It is current talk that Mrs. William K. Vanderbilt has bought a wonderful crown which once adorned the brow of the Empress Eugenie. The crown is described as a marvel of workmanship, which cost Mrs. Vanderbilt \$300,000. It contains 2,000 stones, finely mounted in old silver lined with gold. The crown is in imitation of violet leaves surrounding a bunch of violets. It measures twelve inches in circumference.

Where Reform is Needed.

Washington, D. C., March 16.—For a number of years it has been the desire of the house judiciary committee to secure legislation reducing the expenses and reforming the methods of the administration of justice in the United States courts. With this object in view investigations have been conducted with the result that serious abuses have been found to exist in several of them. It has been determined by those interested in securing the needed legislation to have the propositions added as amendments to the sundry civil bill now pending in the house.

Big Failure at St. Louis.

St. Louis, Mo., March 16.—Felix H. Hunick, doing business as Hunick Bros., at 706 Lucas avenue, and dealer in hats and caps, made an assignment to-day to W. C. Johns for the benefit of his creditors. The failure was caused by the pressure of a claim for \$112,000 borrowed money, made by Hunick and his mother. The assets are about \$75,000. Liabilities, including borrowed money claim, about \$175,000. Count Von Edner, a coffee planter of Mexico, is a brother-in-law of Hunick and has an interest in the claim presented by Mrs. Hunick.

Frederick's Case.

Ottawa, Ills., March 16.—Attorneys C. S. Darrow and S. S. Gregory appeared in the supreme court to-day and entered a motion for a writ of superseas to stay the judgment and sentence passed upon Frederick, the murderer of Carter Harrison, pending the presentation of proofs in support of a new trial for Frederick.

The Floyd's Sentenced.

Minneapolis, Minn., March 16.—Louis and Frank Floyd were to-day sentenced to five years each in the penitentiary for complicity in the defalcation of Phil M. Scheer, the ex-teller of the Bank of Minneapolis, now serving a seven-year sentence at Stillwater.

Iowa Liquor Bill Defeated.

Des Moines, Ia., March 16.—The liquor bill was defeated in the senate to-day by a vote of 36 to 12. The bill in the house was defeated by a vote of 57 to 43.

Of Interest to United Presbyterians.

United Presbyterians and others who contemplate attending the meeting of the United Presbyterian General Assembly, which meets in Albany, Oregon, next May, should take advantage of the offer made by the Chicago, Milwaukee & St. Paul R. R. to delegates and their friends who think of making this delightful trip. We would suggest that all such address John R. Pott, District Passenger Agent, Williamsport, Pa., who will be pleased to answer all questions and give you the necessary information concerning the accommodations furnished by the company he represents. This meeting promises to be one of unusual interest. Many persons who are not delegates or United Presbyterians think of joining the party.

SCHIEREN VETOES IT.

The Aldermen's Resolution Directing the Irish Flag to be Displayed on the City Hall.

New York, March 16.—Before departure for Buffalo to attend the annual dinner of the Republican league club of that city Mayor Schieren, of Brooklyn, filed with the city clerk his veto of the aldermen's resolution directing that the Irish flag be displayed on the city hall and the municipal building to-morrow with the stars and stripes. He said: "The flag of the United States is the only emblem of our common nationality and allegiance. Its display upon the public buildings on all such occasions is at the same time the highest and only appropriate expression of respect. The flag of our state and that of our city may rightly enough accompany it."

Old Glory Good Enough.

Albany, N. Y., March 16.—Assemblyman Lawson has introduced a bill in the state legislature which provides that none but the American flag shall fly from any public building in this state. The only exception it makes is in the case of the visitation of any representative of a foreign nation to this country. Then and then only may the flag of that particular nation be hung to the breeze.

THE SEIGNIORAGE BILL

Will Not Go to the President for His Approval Until Monday.

Washington, D. C., March 16.—The silver seigniorage bill, which passed the senate yesterday will not go the President until Monday. The senate not being in session to-day, the vice president cannot sign it until that body meets again on Monday. It was, however, presented to Speaker Crisp to-day by Chairman Pearson, of the committee on enrolled bills, and it received his signature. The constitutional ten days which the President has in which to approve or disapprove the bill will not begin to run until the bill is placed in his hands on Monday.

THE QUEEN IN ITALY.

A Royal Reception Tendered the British Queen in Florence.

Florence, March 16.—Queen Victoria arrived here this afternoon. Bands of music were stationed at various points along the route from the railroad station to the villa which will be occupied by her majesty during her stay in Italy. The bands played British national anthems, and the dense crowds which assembled to greet the queen cheered most enthusiastically. The streets through which the queen passed, and a large number of houses all over the city, were decorated for the occasion in a most profuse manner. The queen was welcomed by the Duke D'Aosta and staff and by Sir Francis Clarke Ford, the British ambassador, and the staff of the British embassy, as well as by a number of other members of the diplomatic corps.

Seditious Matter Seized.

London, March 16.—The issue of the Socialist which was seized yesterday morning was a special festival number printed on red paper. It was intended by this issue to celebrate the anniversary of the Berlin outbreak of 1848. A quantity of seditious matter was seized at the office of the Socialist and its editor was arrested. The Socialist Democrat meetings have been called in honor of this anniversary, March 18, when it is proposed to place a number of wreaths on the graves of those who were killed on the streets during the riot and who were buried at the Friederichshain.

An Un-American Act.

London, March 16.—Mr. William Waldorf Astor has been elected a member of the Carlton Club, the most exclusive of all London clubs. Its members are distinctly aristocratic and the qualifications for membership up to the present have been that the candidate must be an Englishman and a Conservative. Not even Liberal Unionists have been admitted until quite recently. The Carlton supplies the Conservative campaign funds throughout the country.

The Abor Expedition.

Calcutta, March 16.—The expedition against the Abors has arrived safely at Sadya. There will be no further operations until after the rainy season.

Herbert Gladstone Re-elected.

London, March 16.—Mr. Herbert Gladstone has been re-elected to parliament, as the representative of West Leeds, without opposition.

Passed Off Pleasantly.

Rockford, Ill., March 16.—The execution of John Hart took place at 11:04 o'clock to-day. There were no hitch to mar it.

"March to search" is the old adage. It searches out any weakness of the system, resulting from impure blood. Those who use Ayer's Sarsaparilla find March no more searching or even disagreeable than any other month. This medicine is a wonderful invigorator.

WHY CAN'T I BE WELL?

Must I Always be Weak and Sickly?

These Are Serious Questions for Many Suffering Persons.

Here is a Definite and Positive Answer From the Best Authority.

You are not in perfect health. There is a weakness, a pain, or a tired feeling, your blood is bad, your nerves are weak, or some organ in the body is out of order and you need building up. Don't neglect such a condition, for delay is dangerous.

You can get well and have perfect health just as well as not. The following letter will tell how. It was written by Mr. Norman Bridgeman, one of the most prominent business men of Hardwick, Vt.

"Some time ago I contracted a severe case of nervous debility and throat disease. I was in such a nervous state that I could not write my own name and could not feed myself without dropping my food, my hands trembled so."

"My nervous system was completely prostrated. My throat was also seriously affected so that I discharged blood. It became a question whether I was to live or die. I was in such a state that I was obliged to give up my business."

"I had spells of spasmodic coughing and doctors said I had catarrhal bronchitis. I could not sleep well, as my business was always before me. I would choke up and wheeze badly. I employed many doctors, but they did me no good. I heard of Dr. Greene's Nervura blood and nerve remedy, and knowing it to be highly recommended, decided to use it. I immediately began to improve under its use and am now well. I advise everyone to use it."

Dr. Greene's Nervura blood and nerve remedy is the surest and quickest cure for diseases known, and it is just the medicine you want. It is especially beneficial in the spring when medicine always acts most quickly. Everybody needs a spring medicine whether sick or well, and there is none which has the curative powers of Dr. Greene's Nervura blood and nerve remedy. It positively and completely cures nervous and chronic diseases.

It is purely vegetable and harmless, and is the discovery of Dr. Greene, of 25 West Fourteenth street, New York City, the most successful specialist in curing nervous and chronic diseases. He can be consulted free, personally or by letter.

A NEW WINTER RECORD

Made by the Cunard Line—A Quick Trip Over the Long Route.

QUEENSTOWN, March 16.—The Cunard line steamer Lucania, from New York which arrived here at 3 o'clock this morning, made the trip in five days, thirteen hours and eleven minutes. While this trip is one hour and four minutes longer than that made by the Campania in November last, it really makes a new winter record, as the Campania's record of five days thirteen hours and seven minutes, was made over the shorter northerly route. On the present voyage of the Lucania the steamer covered 2,894 miles over the long southerly route. This is thirty-two miles more than the Campania covered in her record breaking trip.

"The Marine" Defeated.

MUSKOGON, Mich., March 16.—Charles Welch, of Saginaw, and George LaBlanche "The Marine" fought five rounds this morning. The fight was a fierce one from the beginning, marked by heavy exchanges. The Marine was knocked down in the fifth round by a savage left hand swing full on the point of the jaw. He claims that he injured his right hand in the third round. The fight was for a purse of \$500 and was witnessed by 200 sports.

The Strike Broken.

LOUISVILLE, March 16.—A special to the Times from Middlesborough, Ky., says: Four of the ringleaders of the rioting strikers at the Mingo mine have been arrested and taken to Knoxville to answer in the federal court. The backbone of the strike seems to be broken at last. Many of the strikers are leaving.

Economy and Strength.

Valuable vegetable remedies are used in the preparation of Hood's Sarsaparilla in such a peculiar manner as to retain the full medicinal value of every ingredient. Thus Hood's Sarsaparilla combines economy and strength and is the only remedy of which "100 Doses One Dollar" is true. Be sure to get Hood's.

Hood's PILLS do not purge, pain or gripe, but act promptly, easily and efficiently.
